IX. The salaries of officiators fixed by the preceding rule form the minimum rate of remuneration; but an addition to the fixed portion of the officiator's allowance, according to scale, will be made in certain cases specified in the following subsidiary rules.

X. When the total emoluments (as found by Rules I and II) exceed the scale amount (as found by Rules V and VI), such excess up to a limit of Rs. 2 and, if over Rs. 20, at 2 per cent, will be assigned to the officiator as a personal allowance in villages having a gross revenue of less than Rs. 500; up to a limit of Rs. 5 and if over Rs. 50 at 5 per cent in villages having a gross revenue of Rs. 500 but less than Rs. 1,000; and up to a limit of Rs. 10 or, if over Rs. 100, up to 10 per cent, in villages having a gross revenue of Rs. 1,000 or more.

XI. In the case of towns, large villages, and villages in the vicinity of Railway stations, camping grounds, large marts and similar localities, the Patels of which are ordinarily called upon to perform heavy miscellaneous duties, an extra allowance not exceeding Rs. 15 per annum will be assigned to the Patel (and where there are two officiating Patels to each Patel) in addition to the salary of the office fixed by the scales in Rule VIII.

XII. The gross revenue of the village, referred to in Rules V and VI, is the whole revenue leviable for any year before deducting any remissions.

XIII. Patels and Shanbhogs shall receive their emoluments by a deduction of the amount of the same from the assessment on their *kandayam* lands, the same being adjusted at each annual Jamabandi and duly shown accordingly in the village accounts, to prevent complications. Where the assessment on their lands is insufficient for this purpose, the balance will be made up by their deducting it from the last instalment of revenue, before paying such instalment into the Taluk Treasury. In this latter event, the receipt of the Patel or Shanbhog for the amount of such balance as so deducted shall be considered equivalent to the payment into the treasury of an equal sum in cash.

XIV. The amount of quit-rent fixed under these rules on the holding of each share-holder is fixed for the term of settlement, but the total emoluments of the officiators will be revised once after ten years, if necessary, and will be modified according to the same scale in proportion to the revenues of the village as then realized.

XV. The assessment of the occupied Government land (plus 10 per cent of the assessment of the unoccupied assessed waste Government land but not thereby exceeding the gross assessment of the Government land of the village) in the year in which the settlement of remuneration of village officers is made, will be taken for the calculation of the remuneration of officiators.

XVI. The existing official emoluments valued as provided for in Rules I and II will be appropriated for the support of the officiator in the manner specified in the following rules, and the balance of emoluments remaining, after providing for the officiator, is to be disposed of for the future in the manner also provided for in these rules.

XVII. The emoluments derived from land as fixed by Rule I shall first be appropriated to provide the salary of the officiator.

XVIII. When the emoluments derived from land are insufficient to provide the salary of the officiators, the cash emoluments from the Government Treasury will next be appropriated to make up the salary of the officiator.

XIX. Any deficiency, after appropriating all the emoluments from land and cash, shall be made good from the Government Treasury.

XX. Any surplus on the existing emoluments in land and cash remaining over, after providing the salary of the officiator, shall be dealt with as follows.

XXI. If the emoluments derived from land alone are more than sufficient to provide the salary of the officiator, the surplus shall be taxed by the imposition of additional *Jodi* equal to one-half the net profits on the above land.

XXII. Any surplus remaining out of the cash emoluments after providing the salary of the officiator shall be at once resumed by Government.

XXIII. When the official land of any office is held in shares, and these shares with the amount of *Jodi* and other cesses now payable on each, are separately recorded in the village accounts, then the additional tax imposed upon the whole official land of the office under this rule is to be apportioned on the several shares in proportion to the sum by which the full survey assessment of the land of each share exceeds the present *Jodi* and other cesses payable on the same, as

shown in the following example, in which the emolument of an officiator amounts to Rs. 30 :—

| Names and Shares. | Survey assessment of the land of each share. | Deduct *jodi* cess now paid on each share. | Remaining profit on each share. | Addition to *jodi* in column 3 apportioned on profit in column 4 for payment of officiator. | Unappropriated excess of profits, being difference between columns 4 and 5. | Additional half *jodi* on excess in last column. | Future *jodi* cess on each share being sum of columns 3, 5 and 7. |

XXIV. In settling the amount of *jodi* to be paid upon each share, fractions of less amount that $\frac{1}{4}$ rupee are not to be admitted into the accounts in accordance with the rule followed in regard to all Survey assessments.

XXV. Nothing contained in any of the preceding Rules shall be considered as debarring any village hereditary officer from relinquishing his official land when so disposed; and every such officer shall, at any time, whether at or subsequent to the introduction of the settlement prescribed in these Rules, be permitted to relinquish by written *Razinama* any entire field or fields into which official land may have been marked off by the Survey, and on so doing the relinquished field is immediately to be entered in the accounts as Government land, and the total jodi now payable by the hereditary officer is to be reduced by the full amount of the Survey assessment of the relinquished fields.

XXVI. The official land under the settlement prescribed in the foregoing Rule will form no part of the remuneration of the officiator, who is to be paid wholly in cash, and the land will therefore remain in the possession of the sharers who may at present hold it.

XXVII. The charges of Shanbhogs will be re-distributed so as to give each officiator as many villages as he is capable of managing. When more villages than form a sufficient charge are already in the hands of one officiator, he will be required to give up the surplus villages, for which one or more new officiators will be appointed by Government. The new officiator or officiators will be appointed from the family in which the *hak* has been hitherto vested if a competent person can be found.

XXVIII. In all cases of incompetency of the officiator in direct hereditary succession, whether from age, sex, inefficiency, or any other cause, the next-of-kin, if competent, will be appointed; if no competent person of the family can be found, the nomination will rest with Government. Such nomination to hold good in case of a minority till the end of the year in which the minor shall attain full age (18 years); in other cases for 3 years, when the nomination will revert to the hereditary family if a competent person can be found therein.

XXIX. Any conviction of malversation in performance of official duties shall render the person convicted incompetent to officiate again, and shall deprive him, in cases of selection being vested in the members of the family, of any right to take part in such selection. It shall also be in the power of the District officer to exclude the son of a person so convicted from any of the rights or privileges of the office so far as succession or election to the performance of the duties.

XXX. The District officer will be the sole judge of the competency or otherwise of the person on whom devolves the performance of the duties of an office.

XXXI. In arranging charges, except in the case of single villages, as a rule no one officiator shall hold charge of villages with a collection of more than about Rs. 2,500, and when five or more villages are combined in one charge, no one officiator shall, as a rule, hold more villages than give a revenue of about Rs. 1,600.

XXXII. In small villages where only one office, either Patel or Shanbhog at present exists, or where both offices are vested in one person, he shall receive the full salary shown by the Shanbhog's scale, and 50 per cent of the Patel's salary according to scale, so long as he continues to perform the duties of both offices.

XXXIII. In large villages where there is no Patel or where both offices have been vested in the same person, a Patel will be appointed by Government, or the one family holding both offices may be called upon to nominate a separate officiator for each office as may seem fit to Government.

XXXIV. Property, movable or immovable, assigned as remuneration of an officiator under these Rules, shall not be alienated or assigned to any person whatever without the sanction of Government nor shall it be liable to process of any Civil Court.

*Note.*—The word "property" includes both Service lands and Cash remuneration.

XXXV. The remuneration of the officiating Patels and Shanbhogs shall be fixed on the scale for each, and the sum payable to each officiator shall be his exclusive perquisite, on which no other member of the family shall have any claim.

XXXVI. The Patel and Shanbhog shall in all cases reside in the village or one of the
